

# VIRTUAL SUPPORT FROM KINDERGARTEN THROUGH COLLEGE

In response to school closures in 2020, Caron's Education Program adapted our key programming to be successfully facilitated in a virtual platform. We are pleased to continue to offer interactive virtual services as part of our comprehensive menu of services.

## Behavioral Health Assessments

For students in grades 5-12, these screenings are conducted using HIPAA compliant Telehealth services and aim to assess a student's needs and provide recommendations for support.

## Psycho-educational Support Groups

- Project CONNECT® Youth Nicotine Cessation
- Building Resiliency
- Kids of Promise- for youth impacted by family addiction
- ...and more

## Student Prevention Presentations

Customized prevention lessons or curriculums delivered to your students with live or pre-recorded content.

## Professional and Parent Webinars

- PREP: Prevention Resources and Education for Parents/ Caregivers
- Current teen drug trends presentations
- Screening, Brief Intervention and Referral to Treatment
- Project CONNECT™ Facilitation Training
- Building Resiliency in Youth
- ...and more

## About Caron's Education Program

### Our Mission

The Education Program's mission is to provide comprehensive substance use education and supportive services along the full continuum of care, from prevention to recovery, for students, families and professionals using evidence-informed and innovative strategies. Many of these programs and services have adapted to be successfully completed virtually.

### Caron's Digital Learning Program

Our Digital Learning Program is a comprehensive library of FREE courses centered on substance use disorder prevention, intervention, treatment, and recovery.

- For Teens- CONNECT 5: Find the NicoTEEN - Free You!
