To ensure the safety of all Caron patients, staff, and visitors, ALL participants (regardless of COVID-19 vaccination status) are REQUIRED to follow Caron’s COVID-19 mitigation protocols at all times unless otherwise instructed or approved by a Caron medical provider prior to attending (including wearing masks that fully cover the mouth and nose). Failure to abide by Caron’s COVID-19 mitigation protocols (unless otherwise instructed) may result in the participant(s) being asked to leave the Pennsylvania campus.

Participant Requirements

Upon arrival to campus, Breakthrough participants are required to:

- Go directly to Carriage House located behind Breakthrough Mansion.
  - Please stay in your car and notify staff of your arrival by calling 610-743-6162. You will be greeted at your car to be registered for the workshop.
  - Complete a COVID-19 screening questionnaire (including temperature check by staff).
  - All participants will complete an “Authorization and Consent to COVID-19 Testing for Breakthrough Clients” form and will be Point of Care tested for COVID-19.
  - Once the negative result is received, you will be directed to the Breakthrough Mansion to complete the admissions process.
  - Apply a face covering that covers the nose and mouth prior to exiting vehicle.
    - Disposable masks are available to participants upon arrival to campus.

After arrival, Breakthrough participants are required to:

- Complete the daily COVID-19 screening questionnaire (including temperature check by staff).
  - If a participant exhibits symptoms associated with COVID-19 and/or a temperature of >99.5°F, he/she will be re-tested for COVID-19.
  - Positive COVID-19 test result will result in closure of the program.
- If experiencing symptoms associated with COVID-19 as listed in the COVID-19 screening questionnaire, immediately notify a Breakthrough staff member.
- Frequently and thoroughly wash hands with soap and water for at least 20 seconds.
  - Alcohol-based hand sanitizer does not replace the need for handwashing but may be used in between handwashing if needed.
- Each participant will be housed in a single room. Only the assigned participant is to be in each room.
- Avoid using anyone else’s phone, desk, work tools, toiletries, electronic devices, clothing, etc.
- Always remain on Caron of Pennsylvania’s Breakthrough campus.
COVID-19 Screening Questions

Please note, if you answer “yes” to any of the below questions, do not report to campus. Contact your primary point of contact for further instructions. Answering “yes” will not necessarily exclude you from a Caron campus, but will require discussion before you will be permitted to enter a Caron campus.

1. Temperature today: □

2. Have you experienced any of the following PRIMARY SYMPTOMS within the last 14 days which may be linked with COVID-19?
   □ None
   □ Fever or feeling feverish (such as chills, sweating).
   □ New or worsening cough.
   □ New loss of taste or smell.

3. Have you experienced any of the following SECONDARY SYMPTOMS within the last 14 days which may be linked with COVID-19?
   □ None
   □ Headache
   □ Congestion or runny nose
   □ Nausea or vomiting
   □ Muscle aches or body aches
   □ Unusual fatigue
   □ Sore throat
   □ Diarrhea
   □ Mild or moderate difficulty breathing

4. Have you, either personally or professionally, within the last 14 days had “close contact” with anyone who has been diagnosed with COVID-19 or has had any symptoms associated with COVID-19 (even if the person became symptomatic after you had close contact with them) without wearing face coverings/masks?
   □ No □ Yes

5. Have you, within the last 14 days, been directed by any health care professional, public health department, or government authority to observe any period of home isolation or quarantine?
   □ No □ Yes
