

JOIN US FOR A TRAINING, BRAINSTORMING AND NETWORKING EVENT FOR YOUTH-SERVING PROFESSIONALS

As a professional who supports youth, you are invited to participate in a special training opportunity designed to provide practical tools and resources for implementing evidence-informed substance use prevention programs in schools and communities.

Participants will also have the opportunity to collaborate with peers by exploring implementation strategies, discussing facilitation techniques, sharing best practices, and networking with other professionals dedicated to prevention and youth development.

This training is open to a wide range of prevention professionals, including, but not limited to, coalition members, Single County Authority representatives, school personnel, nurses, counselors, administrators, teachers, and other youth-serving professionals.

Program:

Morning:

- Vaping Intervention, Education & Wellness for Students (VIEWS) Diversion Facilitator Training
- Project CONNECT® Adolescent Nicotine Cessation Program Facilitator Training

Lunch - We kindly ask that you bring your own lunch. Light snacks and beverages will be provided.

Afternoon:

- Family Engagement: A Strengths-Based Approach Toolbox Training
- Brainstorming, networking and collaboration time with other youth-serving professionals

This event is a collaboration between:

Date: October 08, 2026

Time: 9am - 4pm

Location:

12401 McNulty Rd, Philadelphia, PA 19154

Registration is limited.
